SPRING SUMMER 2024
COLLECTION

Introducing the Spring Summer 2024 catalogue.

As every year at **Intermezzo**, our aim is to find designs that allow dancers to express themselves and find their essence. The Spring Summer 2024 collection was **inspired by the Natural Symbiosis**.

Garden Collection. We draw inspiration from the intelligent simplicity of common flowers. A bucolic flocked tulle create stylish designs with neutral shades.

Pure Nature Collection. Patterns with an organic logic give life to create recycled designs in a fresh and new natural color palette. Made from our Vida recycled fabric.

Bamboo Collection. We develop a new line of basic knitwear to reconnect with the natural world. Soft and comfy warmups knitted with bamboo fibers.

We have launched an **Essential Collection**. New line of leotards designed to enhance the dancer's silhouettes while maintaining the essence of classical ballet: elegance and comfort. Available in 13 colours.

Finally, we want to introduce our **NEW LINING**. Experience unrestricted movement with this lining that adapts to dancer's body. Its elasticity, softness and breathability make it feel like a **second skin**.
